

Dear FCC,

My name Josue D. Gomez, Administrative Director of the Academia Bautista de Puerto Nuevo.

Application Number: 348673
Billed Entity Number: 220061
Funding Year: 2003 - 2004

Please re open our case. We make a prior appeal due to a lack of communication between our case status and us. We never known that our case was rejected until the time we made the first appeal.

As you establish in your letter dated on december 7, 2004 you reject our case because the records shown that our appeal was postmarked more than 60 days after the date your Funding Commitment Decission letter was issued. FCC rules do not permit the SLD to consider your appeal.

As we shown the first time, how we can appeal a decision that we do not have any notice about it. Also if in the past three years we participate in the E-Rate program without any kind of situations.

Please reconsider our case in order to allow us continuing in our technoly strategies.

Let me know if you need more information.

Josue.
